

## Granville Environmental Sustainability Committee Position Available

The Granville Environmental Sustainability Committee (GESCC) is a community-based organization dedicated to promoting and incorporating sustainable practices to minimize negative impacts on the environment in the Village of Granville and surrounding community.

The goal of the GESCC is to build a sustainable future for the Granville community through reducing greenhouse emissions in the Village and surrounding community.

The Commission is comprised of a minimum of five (5) members appointed from the following organizations:

- Granville Village Council (3)
- Granville Township Trustees (1)
- Volunteer members from the community

The members of this committee are appointed by Village Council and shall be led by a Chairperson, Vice Chairperson, and Secretary (as elected by the Commission) for the term of three years with no limit as to the number of terms.

The Village Council of Granville is currently seeking a minimum of two (2) individuals with an interest in serving on this Committee. If you are interested in serving, please send the completed application to Autumn Klein, Clerk of Council, PO Box 514, Granville OH or drop off at the Village Office at 141 East Broadway. Applications are due by March 29, 2024. Applications are available at the Village Office or online at [www.granville.oh.us](http://www.granville.oh.us).
